Call +1-866-568-3047 and a Ryanair agent will review your specific reservation and walk you through every available option.

If You Call Ryanair Before Your Flight Departs

Calling +1-866-568-3047 before your original flight departs is the most important action you can take. Ryanair agents treat this as a missed flight situation -- not a no-show. Your ticket value is preserved in most cases, rebooking on the next available flight is initiated immediately, and your connecting and

return flights are protected from automatic cancellation.

Call +1-866-568-3047 before your flight departs -- this protects your ticket value and ☐ rebooking options.

If You Do Not Call -- The No-Show Situation

If you miss your Ryanair flight without notifying Ryanair before departure, your booking may be classified as a no- show. Under United's no-show policy, non-refundable ticket value -- including travel credits -- may be forfeited. Basic Economy no-shows face the strictest outcome. Even after a no-show, calling +1-866-568-3047 immediately is worth doing -- agents may still be able to recover partial value depending on your fare class and circumstances.

Call +1-866-568-3047 -- even after a no-show, call immediately. Recovery options ☐ may still exist.

Your Connecting and Return Flights May Be Cancelled

If you miss a Ryanair flight that is part of a connecting or round-trip itinerary, all remaining segments on the same booking may be automatically cancelled. Call +1-866-568-3047 immediately to protect your onward and return reservations before they are cancelled.

Call +1-866-568-3047 -- protect your connecting and return flights by calling before they are ☐ automatically cancelled.

Step 1 -- Call Ryanair Immediately

Call +1-866-568-3047 the moment you realize you will miss or have missed your Ryanair flight. Have your confirmation number (6-character record locator from your booking email) and passenger name ready. This allows the agent to pull up your reservation immediately and begin the rebooking process without delay.

Call +1-866-568-3047 now -- have your Ryanair confirmation number ready for the fastest ☐ rebooking.

Step 2 -- Ask for the Next Available Flight

Ask the Ryanair agent at +1-866-568-3047 to search for the next available Ryanair flight on your route. The agent will check all same-day departures first, then next-day options if nothing is available today. Confirm any fare difference before the rebooking is finalized -- if the new flight is priced higher than your original ticket, you pay the difference.

Call +1-866-568-3047 -- a Ryanair agent will search all available flights and confirm the fare ☐ difference before charging.

Step 3 -- Request Standby If No Confirmed Seat Is Available

If no confirmed seat is immediately available on the next Ryanair departure, ask the agent at +1-866-568-3047 to place you on the standby list. Standby after a missed flight operates similarly to United's same-day standby program -- you board if a seat is available at departure time. No additional fee typically applies for standby in missed flight recovery scenarios.

Call +1-866-568-3047 -- request standby placement on the next Ryanair departure at no ☐ additional charge.

Step 4 -- Confirm Your Full Itinerary

After rebooking, ask the Ryanair agent at +1-866-568-3047 to confirm the status of every remaining segment in your itinerary -- connecting flights, return flights, and any onward reservations. Your rebooking options after missing a Ryanair flight depend heavily on your fare class. The table below summarizes what is available for each ticket type. For specific details on your booking, call

+1-866-568-3047 and a Ryanair agent will confirm the exact options for your ticket.

Call +1-866-568-3047 -- confirm your fare class rebooking options after a missed ☐ Ryanair flight.

Basic Economy -- Most Limited Options

United Basic Economy tickets are the most restricted fare class for missed flight recovery. Voluntary rebooking on a confirmed seat is not available. You may be placed on same-day standby for a later flight, but a confirmed seat is not guaranteed. In a no-show scenario, the full ticket value is typically forfeited. Call +1-866-568-3047 immediately after missing a Basic Economy Ryanair flight -- this is the only way to determine whether any recovery option remains.

Call +1-866-568-3047 immediately -- Basic Economy passengers have the narrowest ☐ window to act after a missed flight.

Economy and Above -- Standard Rebooking

For Economy (non-Basic), Economy Plus, Business, and First Class tickets, Ryanair will typically rebook you on the next available flight on your route after a missed departure. A fare difference may apply if the new flight is priced higher. If you contacted Ryanair before departure, your ticket value is preserved. Call +1-866-568-3047 to initiate rebooking and confirm any applicable fare difference.

Call +1-866-568-3047 -- Economy and above passengers have strong rebooking ☐ options. Call to use them now.

Specific Missed Ryanair Flight Scenarios

Missed Ryanair flight due to traffic

Traffic delays are outside United's control, and standard missed flight rules apply. If you are stuck in traffic and at risk of missing your departure, call +1-866-568-3047 from the car immediately. Notifying Ryanair before the flight departs -- even while in transit -- preserves more options than arriving at the airport after the gate has closed.

Call +1-866-568-3047 from the car if traffic is putting your Ryanair flight at risk. ☐

Overslept and missed Ryanair flight

Oversleeping is treated as a voluntary missed flight. Standard fare-class rules apply. Call +1-866-568-3047 the moment you wake up. If your flight has not yet departed, you may still prevent no-show classification. If the flight has already departed, call immediately anyway -- same-day rebooking options narrow quickly and acting on the same day gives you the widest remaining choices.

Call +1-866-568-3047 the moment you wake up -- even if your Ryanair flight has ☐ already departed.

Missed Ryanair connection due to a Ryanair delay

If a Ryanair-operated delay on an inbound flight caused you to miss a connecting Ryanair flight, you are entitled to rebooking on the next available Ryanair flight to your destination at no additional charge. This applies regardless of

fare class. Call +1-866-568-3047 or go directly to a Ryanair service desk at the connecting airport as soon as your inbound flight is significantly delayed.

Call +1-866-568-3047 -- if Ryanair caused your missed connection, rebooking at no ☐ charge is your entitlement.

Missed Ryanair flight -- already checked in

Completing check-in does not protect you from a missed flight or no-show classification if you fail to board. Your boarding pass is voided at departure regardless of check-in status. Call +1-866-568-3047 immediately after missing the flight -- having completed check-in demonstrates engagement with your travel plans, which may help when an agent reviews your situation.

Call +1-866-568-3047 -- even if you were checked in, contact Ryanair immediately ☐ after missing the flight.

Missed Ryanair flight -- luggage already checked

If your checked bags were loaded before you missed your flight, they may have departed on the original aircraft. When you call +1-866-568-3047 to rebook, immediately inform the agent about your checked baggage so it can be flagged and held at your destination airport. Your bags will not be automatically returned to the origin airport -- active coordination is required.

Call +1-866-568-3047 -- report checked baggage that departed without you and get ☐ it tracked and held.
